### To Aguinaldo, Filipino.

"Agul," you do not know what a good thing you are missing by not wanting to become a citizen of this grand country of ours? There isn't a thing else like it under the sun. You ought to send a delegation over here to see us. This land of the free; this land of churches and 470,000 licensed saloons, bibles, forts and guns, and houses of prayer. The millionaires and paupers, theologians and thieves, libertines and liars, Christians and chain gangs, politicians and poverty, schools and prisons, sealawags, trusts and tramps, virtue and vice.

A land where we have men in congress who have three wives and a lot in the penitentiary for having two wives. Where some men boil or make sausage of their wives when they see a young one they want. Where young men ruin a girl and cut her head off. Where we make bologna sausage of dogs and canned beef of sick cows, mules and horses, and corps of people who eat it. Where we put men in jail for not having means of support and on a rock pile if he hasn't a job.

Where we have a congress of 400 men to make laws and a supreme court of nine men to set them aside. Where good whisky makes bad men and bad men make good whisky. Where newspapers are paid for suppressing the truth and made rich for telling a lie. Where professors draw their convictions and salaries from the same source. Where preachers are paid \$1,000 to \$25,000 a year to dodge Satan and tickle the ear of the wealthy. Where business consists in getting property in any way that won't land you in the penitentiary. Where trusts hold you up and poverty hold you down. Where men vote for what they don't want for fear they get what they want by voting for it. Where men vote for a thing one day and swear about it the other 364 days in the year. Where we have prayer on the floor of the national capitol and whisky in the basement. Where we spend \$5,000 to bury a congressman and \$10 to put away a poor man. Where the government pays the army officer's widow \$3,000 and a poor private who faced the shell \$144, with the insinuation that he is a government pauper and a burden because he lives.

Where to be virtuous is to be lonesome and to be honest is to be a "crank." Where we sit on the safety of conscience and pull open wide the throttle of energy. Where gold is worshipped and God is used as a waste basket for our better thoughts and good resolution. Where we pay \$15 for a dog and 15 cents a dozen to a poor woman for making shirts. Where we teach the "untortured Indian" the way to eternal life and kill him with bad "booze." Where we put a man in prison for stealing a loaf of bread and in congress for stealing a bank or a railroad. Where check-books and signs walk in broad day light, justice is asleep crime runs amuck, corruption permeates our social fabric, and Satan laughs at every corner. Come to us, Agul! We've got the grandest aggregation of good things and hard things of all sizes, varieties and colors ever exhibited under one big tent. Send your delegation and we prove all these assertions for truth.—Pocahontas (Kan.) Sun.

### He Quoted the Bible.

Levi Howard, of the Mine fork, in Magoffin county, entertained our people with an exceedingly lengthy sermon at H. F. Pieratt's store on Friday morning last, in which he quoted the Bible straight along in a sing-song voice. He talked so fast that some of his words were indistinct, but enough was heard to convince anyone that he knows a great deal of the Bible. The remarkable fact about his memorizing the bible as he has is that he is totally blind, having lost both his eyes before he was five years of age. His mother knocked one out and his brother the other, and the only way he could have acquired the knowledge he has of the Holy Word must have been through a retentive memory of the sermons he has heard preached from time to time. He claims to have been a member of the Christian church for many years, and relies upon the charity of his hearers for a support, which, judging from his appearance has been of the short kind, for he is dirty and ill clothed. He is so deaf that he can only hear by yelling into his ear, but a boy goes with him as guide and looks after his wants, and he says that he has only received about \$4.00 since he left Magoffin county, about one week ago, and \$2 of this was donated by W. T. Swango and wife, who cared for him Thursday night and gave him his supper and breakfast. While a filthy looking subject he seems to be very devout in his devotion, and it does seem that God's afflicted followers should fair better in a Christian and civilized community. Another report is that he has a farm on Johnson fork, but this is not authentic.

If you want all the news, local and foreign, a daily and two weekly papers send us six dollars and we will see that you receive for one year The Morning Herald of Lexington, The Kentucky Stock Farm and THE HERALD.

The farmers are busy this week putting the corn into mother earth.

### Meeting of Democratic County Committee

Also, ordered that the candidates for judge, sheriff, superintendent, county court clerk, attorney and jailer and assessor for nomination in said primary pay the sum of (\$3.00) three dollars each, the other county officers two dollars each, and the candidates for nomination for justices of the peace and constables be required to pay one dollar each for the purpose of defraying the expenses of said primary, and that if amount received be not sufficient to defray expenses that those who receive nomination, shall be required to make up the deficiency before receiving certificate of election.

It was also ordered that each candidate for nomination place the amount of his registration fee in the hands of the chairman at least fifteen days before day of primary.

The following resolution carried unanimously:

Resolved:—That for the sake of reuniting the democratic party and restoring the party to its old time principles, and to insure the success of the nominees, we ask all democrats who have heretofore affiliated with the party to take part in this election, and we hereby declare the above named persons to be the legal voters in this primary, and that no democrat shall be deprived of voting in this primary election, who will be legal voters at the November election 1900.

E. T. KASH,  
Chr. Ex. Com. Wolfe county.  
J. R. CARROLL, Sec'y.

To the democrats of Wolfe county, allow me to say to you through the columns of THE HERALD that the committee was called to meet by me, through the earnest solicitations of a large majority of the candidates seeking nominations for the various offices of our county, believing, as they said, that justice would be meted out to them at the hands of my committee.

### Home Missions to the Front.

On next Sunday, the 6th, let us have large offerings for Home Missions. Remember, as America goes, so goes the world; America is the gateway to all the world; Evangelize America, and the world will be readily evangelized; America for Christ, and the world will accept Him; Christ for the world, the world for Christ.

The topics for the sermons will be "Our Brother's Keeper," and at 7:45 p. m., "The Law of God." Brethren and friends, we covet your attendance.

Minister Church of Christ.

### Another Killing in Breathitt.

On Tuesday, April 17, just after dusk, Jesse Fields was shot near Cornett's store on Smith branch, in Breathitt county, six miles from Jackson, by Moses Feltner, and died about 2 o'clock a. m. Jesse Fields took an active part in the French-Eversole feud in Perry county a few years ago. At the time of his death he was under indictment and bond to answer at next term of court for the shanty boat tragedy on the Kentucky river, near Jackson, which occurred a short time ago.

It is in the rear of the present publication office, eight stories in height, and within a short time will be occupied by the mechanical departments of the magazine. Specially designed presses, and all the most approved mechanical devices applied to printing are being added to the Journal's already extensive equipment. It is the aim to make this plant the finest in America.

### 1,000,000 DEATHS!

FROM CHOLERA DURING THE PAST YEAR.

The Germs of this Fatal Disease are Lurking Everywhere! Thousands of Dollars Saved by This Wonderful Discovery.

Hundreds of thousands of dollars has been lost in the poultry business on account of the devastation among the flocks caused by cholera, croup, gape and other fatal diseases. There have been many remedies advanced, but none seem to be so successful as the American Poultry Mixture. This will cure chickens in the last stage of cholera and roup, and is excellent for gapes. Do your fowls suffer from violent diarrhea, dropping of the wings, stupor or excessive thirst? These are the first symptoms of cholera. Cholera is a germ disease and being infectious spreads rapidly through the entire flock. Take time by the forelock; don't stop to experiment with unreliable or untried remedies. Use this mixture at once and the sanitary measures they recommend in connection. Don't give the fowls up. Cholera is a terrible disease but this remedy cures it every time. It is also guaranteed for roup, which can be told by hoarse breathing, swelled eyes, discharge at the nostrils, resembling catarrh. Fifty dollars is offered for any case the Mixture will not cure. If some of your fowls are diseased it will prevent the rest from catching it. Try it. It is cheap, reliable and effective; a scientific preparation, goes more than three times as far as any other remedy; does more good than all of them combined. It is used and endorsed by the most experienced and largest breeders of plain and fancy poultry in all parts of the world. The manufacturers guarantee every package or refund purchase money. If your druggist don't sell American Poultry Mixture, he's behind the age. In that case send \$1.00 for sample box to American Mfg. Co., Terre Haute, Ind.

UNDER the heading of announcements for sheriff of Wolfe county this week appears that of Harry Curtis Perkins, of Laey creek, who aspires to the nomination subject to the will of the democratic party in whatever manner they may determine upon. Harry Perkins was born in Magoffin county, July 13, 1876, and is the son of our well known and popular fellow-countyman, Wiley C. Perkins. With his parents he moved to this county when only about three years of age, and has lived here ever since, except about a year spent in Illinois, during which time he had the misfortune to lose his right hand while feed-

ing a fodder shredder. He has always worked for the interest of the democratic party, and since he came a voter has never failed to support with his suffrage the nominees of his party. He was raised on a farm and inured to the labor incident to one of that calling, and was content with his lot. The misfortune that befell him in losing his hand rendered him practically helpless to perform manual labor, and hence his desire for the office of sheriff for which he possesses all the necessary qualifications. He has a fair education, is sober, industrious and attentive to business, and should be secure the nomination and election he will make the county as good an official as it could possibly have. He pins his faith to the democratic party and knowing that there is not a man of them but sympathizes with him in his misfortune and will do justly by him, we leave him for the present in their hands.

Among the announcements in our paper today will be found that of John B. Tyler, of Campton, who aspires to the office of jailer of Wolfe county. John Tyler was raised in our county and is well known to all or most all of our citizens, and therefore needs no introduction at our hands. But he is a democrat and has always affiliated with the party—worked for its interest and in behalf of its candidates ever since he became a voter. But this is the first time he ever asked for anything for himself, and now he appeals to the democratic party for the nomination, promising in event of his election to faithfully perform the duties pertaining to the position, and those who know him best vouch for all he promises. Mr. Tyler is a poor man, and wants the office for the pay there is in it, though he thinks his fealty to the tenets entitles him to some recognition. He is a sober, industrious citizen, and would make the county a good official if elected. He is a gentleman of much stability of character, and as firmness tempered with the milk of human kindness is one of the essential qualifications to the office of jailer, he is eminently equipped for the position. He has a host of personal friends regardless of political lines and is sure to make a strong fight for the nomination. On his behalf we commend him to the consideration of the democratic party confident that he will meet with fair treatment, and promise of him that whether nominated or not, he will be found in the front ranks fighting for the success of the party when the battle of the ballots begins.

The democratic party of Wolfe county just now represents a dilemma with two horns, and unless a compromise is brought about in some way, somebody is going to get hooked. As will be seen in our columns today one committee, under E. T. Kash as chairman, met Saturday and called a primary election for the 8th of June to nominate county officers to be voted for in November, 1901. State chairman, Allie Young, having appointed another committee with James Vansant as chairman, the latter calls a meeting of his committee on the 7th inst., to meet at Campton, and should that committee choose another day and date for the primary which it is almost sure to do, there will be a clash. Inasmuch as the election is a year and six months off, it looks like the old committee exercised considerable haste in calling a primary, and the question presents itself, "Which is the legally authorized committee?" Candidates can not be expected to recognize both.

The Caney Valley Courier, a 7-column folio, patent outside, with John Chandler as editor and R. J. White, erstwhile with THE HERALD as associate editor, reached us last week. It is published at Caney in Morgan county, the prospective terminus of the Ohio and Kentucky railroad, and should find good support when that road is completed. Success to it.

**Democrats, Take Notice.**

Cesar and Sam Hurst were here Monday to see the base ball game.

John Rye, of this place, made a flying trip to Mt. Sterling one day last week.

The wife of Frank Pieratt, of Maytown, still continues in a critical condition.

Quite a number of Hazel Green people attended church on Grassy creek last Sunday.

Mrs. Nelson Nickell, who has been sick with fever for several weeks, is convalescent.

The indications at present look as though we are going to have a fair crop of fruit this year.

Dr. John Carroll, of Lee City, was here Saturday attending the meeting of the democratic county committee.

Elder Jim Tom Pieratt preached at the Grassy creek church in Morgan county, last Sunday with Rev. John Adams.

Little Perry Savage has again placed the editor and his helper under obligations for a bunch of nice spring onions.

Rev. B. F. Trimble, of Mt. Sterling, delivered an interesting sermon at the Christian church this place Sunday morning.

Mrs. Tom Linn and daughter, and sister-in-law, Miss John Wallis, were here Monday and bought five hats of Mrs. F. N. Day.

Elder Jim Tom Pieratt has not yet made up his mind whether he will remain here or go west again. But he will decide this week, and should be concluded to go west he will locate in Illinois, tho' he thinks Kansas a wonderful state.

### The Home Team Defeated.

Quite an interesting game of baseball was played here Monday between the Campton nine and the Hazel Green nine, and the crowd, which numbered about 200, were highly entertained. The Campton boys defeated our boys after a hotly contested game by the close score of 16 to 15. The Campton team, reinforced by three "ringers," succeeded in securing a heavy lead at the first, but were nearly overhauled at the close. The visiting team excelled in their field work while the home boys may well feel elated over the game. They might have with fairness prohibited the foreigners from playing, but it is not in a Hazel Green team to quarrel before any aggregation of star ball tossers. A return game will be played at Campton one week from next Saturday. The following is the score by innings:

Hazel Green	1	2	0	0	1	4	4	3	15
Campton	1	7	1	2	1	1	2	1	16

Batteries—McDiarmid and Bays, Eaton and Russell.

Umpire—John Davis.

Struck out—By McDiarmid, 12; by Eaton, 7.

Home Run—Quicksall.

Three Base Hits—McDiarmid 2, Garrett 1.

Two Base Hits—Ward, Daniel, Russell and McDiarmid.

Passed Ball—Daniels 2, Bays 1, Russell 1.

Errors—Campton 3, Hazel Green 11.

Base Hits—Hazel Green 14, Campton 10.

Time of Game—Two hours and a quarter.

### Capt. Tucker Corrects Us.

WINCHESTER, KY., April 25.

Editor HERALD: There are some errors in your notice of the fight at Green River stockade. The real facts are as follows: On the Christmas before the fight Gen. Morgan detailed me with four companies to burn the stockade. While the boys were setting it on fire I examined the situation fully, and on Gen. Morgan's last raid he sent me with a flag of truce to demand the surrender. Col. Moore was in command, and came out with a smile on his face and said that if it was on any other day but the 4th of July he might surrender, but to celebrate the 4th he would have to give us a little brush. I knew then it would be a fight to the death. Our regiment, (Chenault's) was put in front, and in a light that did not last forty minutes our regiment lost 65 men and six officers, who were killed outright or died of wounds received. It was the fiercest fight I was ever in. We lost so many enlisted men. My hat, coat and pants were shot through, and the back of my neck was scorched, but no blood was drawn. Yours, etc.,

JOSEPH T. TUCKER.

Dr. M. C. Kash, who has just located in our town, with his office at the Day House, is prepared to answer all calls day or night, and makes a specialty of surgery, obstetrics and diseases of women, in which he has gained quite a reputation in Magoffin county, where he has practiced for over five years. In all he has been practicing medicine for 12 years. Jackson, one year; Campton, one year; White Oak, three years; Farmers, nearly a year. At the latter place he received the appointment of pension examiner and removed to Salsersville, Magoffin county, retaining the appointment which he still holds. He is registered in three counties, Rowan, Morgan and Magoffin, and, of course, will register in Wolfe at once. His extensive practice during the 12 years, covering as it does, every kind of surgery and all female diseases has equipped him for proficient practice and he asks the people of this section, in event of their illness, to give him a trial, confident that he will please them. See his card in this paper.

The Farm Journal is unlike any other paper; for one thing it prints no quack medical advertisements; for another it takes five year subscriptions and gets the paper to its subscribers the full time if they are anywhere on this planet, even if they move two or three times; if they die their heirs get it. Now we are going to combine with the Farm Journal and send THE HERALD one year and the Farm Journal nearly 5 years (remainder of 1900, and all of 1901, 1902, 1903 and 1904) to every advance paying subscriber, new and old, to THE HERALD. This great offer had better be accepted before it is withdrawn.

The debates at the academy on the evening of the 27th ult., were among the best ever held in this school. The speeches made by the young women were especially good, and for the most part, were well delivered. Some of the young men who spoke, had studied their questions but little, and of course added no laurels to their records. These debates have been a very profitable part of the work of the academy and they are growing in interest. The first debate of the next session will be the evening of September 7th.

Rev. E. K. Pike will preach at the Methodist church in this place on Saturday night, before the third Sunday in May and on Sunday morning at 11 o'clock, he will preach on the subject of Baptism. He will preach at Rose chapel at 3 o'clock on the same day. Everybody is invited to hear both sermons, and especially the discourse on Baptism.

George Faulkner, of Barboursville, was here Friday with George Doan of the Bray clothing company, Louisville, and another drummer, Thomas Gabbard, of Booneville, who travels for a Louisville house. They were guests of the Day House.

### What They Say.

John Evans—"I think for the success of the party that next April would be amply early to call a primary."

John Davis thinks the primary should not be called until after the November election, if we expect success.

Robert Kash says the idea of a primary a year and a half before the regular election is preposterous—that half the candidates might be dead.

Harry Perkins—"I think the primary has been called too early for the success of the party."

John D. Rose, jr., is of the opinion that the primary should not be called until after the November election.

J. A. Taulbee—"I am of the opinion that the primary for county offices should be held after the November election 1900. I think it would be better for party success. Yet I will vote for the nominees let the vote be taken anytime."

Ed Taulbee says the primary as promulgated by the committee last Saturday is too soon for the success of the party.

He Wants the Dear Old Herald.

AMSTERDAM, Mo., April 25, 1900.

Editor HERALD—Dear Sir: Enclosed you will find money order for \$1.00, for which you will please send me THE HERALD and the Courier-Journal for one year.

We are having fine weather at present. Farmers are nearly all done planting corn, and everything is growing nicely.

Present my compliments to Mrs. Cooper. Yours truly,

C. B. AMYX.

Col. Julian S. Carr, the millionaire tobacco manufacturer of Durham, N. C., will bring a large delegation to the Confederate Reunion in Louisville, May 20-June 3. They will be attractively uniformed. Another famous North Carolina command will bring its famous legend, "First at Brigg, Bethel; Farthest at Gettysburg, and Last at Appomattox."

William Hensley, of the Upper Long Branch, Morgan county, died on Saturday last of a gripe, aged about 70 years. He was one of the hard marks of that section, and considered one of the best citizens in that section. He leaves quite a family of grown up children, most of whom are married and living in the west. His wife preceded him to the grave, having died about three years ago.

Ballard Barker, who murdered his wife on the 8th of April, was tried in the circuit court last Monday and sentenced to the penitentiary for life. The general opinion of the public was that he would be hung, but the jury probably considered the fact that he was not overly bright, and gave the sentence as above stated.

Ship your wool to Elkhorn Woven Mills. They make the best blankets, coverlets, flannels, jeans, linsey, tweeds, satinetts, and yarns ever shipped to your section, and at less than it costs you to work your wool at home. Write our agent at Grassy Creek, Ky., for prices, or see local agents with samples. Watch for posters and dates for shipping.

Mr. Hemingway, the secretary of the Jersey Cattle Club, says that "Biggie Cow Book is a most comprehensive little volume—one of the best things on the cow question I have ever looked into."

Mr. Hemingway ought to know. The price is 50 cts., free by mail; address the publishers, Wilmer Atkinson Co., Philadelphia.

John Tom Gevedon, of West Liberty, has rented of Mrs. W. T. McNabb her residence on the corner of Broadway and State streets, and will move his family here on Friday to reside with us for one year at least. On behalf of our citizens we bid them welcome to our town and bespeak for them a pleasant sojourn.

"You May Bend the Sapling, but not the tree." When disease has become chronic and deep-seated it is often difficult to cure. That is the reason why it is best to take Hood's Sarsaparilla when disease first shows itself. Hood's Pills are a favorite family cathartic.

Lige Blankenship was in town Saturday and "our man about town" asked him the news. "Wait until I study up lie," said he, and our m. a. t. thinking the fact that he had to study over a bit of a thing like that a good item of news, jotted it down.

Miss Hanks and Miss Pollock, two gems of Campton, were pleasant callers at Miss Bertha Samples, of Lacy creek, and on Saturday they came to Hazel Green and enjoyed the afternoon at the base ball grounds.

If your horse or mule has a lump, bunch, bone spavine, curb, splint or any like ailment, go to John M. Rose and get a bottle of Quinn's Ointment, which will remove the obstacle.

Rev. J. T. Pieratt will preach at the Frank Johnson school house Saturday night and Sunday at 3 o'clock in the afternoon and night.

Agents on salary \$15.00 per week and expenses; the greatest agent seller ever produced; every stock and poultry raiser buys it on sight. Hustlers wanted. Reference. Address with stamp, American Mfg. Co., Terre Haute, Ind.

The time of all who subscribed for THE HERALD March 4 is now out and they are respectfully urged to renew at once and take advantage of our club rate with the Twice-a-Week Courier-Journal for 12 months, the Farm Journal, every month until end of December, 1904, and THE HERALD for 12 months, ALL FOR \$1

Having decided to remove from Hazel Green I will sell all of my SHOP TOOLS AND FIXTURES, including BELLOWS, ANVIL, VISES, SCREW PLATES, THE SHRINKERS, BENDERS, DRILL, etc., etc., too numerous to mention in detail. But unless I get an offer once the tools, etc., will be sold in quantities to suit. In the shop is a large lot of blacksmith and wagon-makers' material, such as iron, steel, bolts, seasons lumber, etc., to be disposed of in the same way.

## DO YOU GET UP WITH A LAME BACK?

### Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

## COUNTY NEWS NOTES.

To insure insertion ALL correspondence must be in this office by Monday night of each week, and that nearby on Monday morning.

Our correspondents are derelict in duty and we want to say that henceforth they will not receive papers except for the week they have news letters. We are dependent upon them for the news and when they fail to send in their favors they put us to great inconvenience.

**SWANGO SPRINGS SAYINGS.**  
Here's my hand Uncle Remus, come every week.

Rev. E. K. Pike, of Hazel Green, took dinner at the Springs Friday.

**SUNNY SIDE.**  
Uncle Newt Lacy paid us a business call Saturday.

The following young ladies were visiting our writer last Friday: Misses Dell Cravens, Mattie Evans and Daisy and Pearl Day.

"Charley" has been employed by a mill company at Glencair. We think some one could take his place and give us the Daysboro news.

Ye scribe called on Mrs. Ha Cecil last week, and was sorry to find her in such delicate health. Hoping that her visit to Kentucky will be beneficial to her.

We went out to Daysboro Saturday and on our return we met Landford Craft en route to Grassy. Bring that "bird" over, Landford, and give her some Spring water.

We got such a licking last week, we thought we would not be able to give you any news this week, but we have tied up our bruises in a rag and will do our best.

We were surprised to hear Uncle Remus say that he thought that we were offended at what he said about Mr. Cooper and Bro. Wilson running for an office. Such a thing never entered our head; we are not so easy to get offended. He said that he didn't know that there was politics in a county office. Well we must confess our ignorance, for we thought there was politics, and all other

kind of ticks in it. And he seems to think that there is a trick about our name, and adds "Miss" to it. When it might be "Pecks bad boy" for all he knows. He suggests that we take a plush rocker and let Mr. Cooper and Bro. Wilson settle the says. We thought it took the vote of the people to settle the matter in question. It would be a hard matter for us to sit still that long unless Uncle Sam would give us a post office and let us sit back and read postal cards. Then, my dear uncle, we would take your proffered chair and thank you.

"Agul," you do not know what a good thing you are missing by not wanting to become a citizen of this grand country of ours? There isn't a thing else like it under the sun. You ought to send a delegation over here to see us. This land of the free; this land of churches and 470,000 licensed saloons, bibles, forts and guns, and houses of prayer. The millionaires and paupers, theologians and thieves, libertines and liars, Christians and chain gangs, politicians and poverty, schools and prisons, sealawags, trusts and tramps, virtue and vice.

A land where we have men in congress who have three wives and a lot in the penitentiary for having two wives. Where some men boil or make sausage of their wives when they see a young one they want. Where young men ruin a girl and cut her head off. Where we make bologna sausage of dogs and canned beef of sick cows, mules and horses, and corps of people who eat it. Where we put men in jail for not having means of support and on a rock pile if he hasn't a job.

Where we have a congress of 400 men to make laws and a supreme court of nine men to set them aside. Where good whisky makes bad men and bad men make good whisky. Where newspapers are paid for suppressing the truth and made rich for telling a lie. Where professors draw their convictions and salaries from the same source. Where preachers are paid \$1,000 to \$25,000 a year to dodge Satan and tickle the ear of the wealthy. Where business consists in getting property in any way that won't land you in the penitentiary. Where trusts hold you up and poverty hold you down. Where men vote for what they don't want for fear they get what they want by voting for it. Where men vote for a thing one day and swear about it the other 364 days in the year. Where we have prayer on the floor of the national capitol and whisky in the basement. Where we spend \$5,000 to bury a congressman and \$10 to put away a poor man. Where the government pays the army officer's widow \$3,000 and a poor private who faced the shell \$144, with the insinuation that he is a government pauper and a burden because he lives.

Where to be virtuous is to be lonesome and to be honest is to be a "crank." Where we sit on the safety of conscience and pull open wide the throttle of energy. Where gold is worshipped and God is used as a waste basket for our better thoughts and good resolution. Where we pay \$15 for a dog and 15 cents a dozen to a poor woman for making shirts. Where we teach the "untortured Indian" the way to eternal life and kill him with bad "booze." Where we put a man in prison for stealing a loaf of bread and in congress for stealing a bank or a railroad. Where check-books and signs walk in broad day light, justice is asleep crime runs amuck, corruption permeates our social fabric, and Satan laughs at every corner. Come to us, Agul! We've got the grandest aggregation of good things and hard things of all sizes, varieties and colors ever exhibited under one big tent. Send your delegation and we prove all these assertions for truth.—Pocahontas (Kan.) Sun.

He Quoted the Bible.

Levi Howard, of the Mine fork, in Magoffin county, entertained our people with an exceedingly lengthy sermon at H. F. Pieratt's store on Friday morning last, in which he quoted the Bible straight along in a sing-song voice. He talked so fast that some of his words were indistinct, but enough was heard to convince anyone that he knows a great deal of the Bible. The remarkable fact about his memorizing the bible as he has is that he is totally blind, having lost both his eyes before he was five years of age. His mother knocked one out and his brother the other, and the only way he could have acquired the knowledge he has of the Holy Word must have been through a retentive memory of the sermons he has heard preached from time to time. He claims to have been a member of the Christian church for many years, and relies upon the charity of his hearers for a support, which, judging from his appearance has been of the short kind, for he is dirty and ill clothed. He is so deaf that he can only hear by yelling into his ear, but a boy goes with him as guide and looks after his wants, and he says that he has only received about \$4.00 since he left Magoffin county, about one week ago, and \$2 of this was donated by W. T. Swango and wife, who cared for him Thursday night and gave him his supper and breakfast. While a filthy looking subject he seems to be very devout in his devotion, and it does seem that God's afflicted followers should fair better in a Christian and civilized community. Another report is that he has a farm on Johnson fork, but this is not authentic.

If you want all the news, local and foreign, a daily and two weekly papers send us six dollars and we will see that you receive for one year The Morning Herald of Lexington, The Kentucky Stock Farm and THE HERALD.

The farmers are busy this week putting the corn into mother earth.

Meeting of Democratic County Committee

Pursuant to a call by the chairman of the democratic committee of Wolfe county for the purpose of considering time, manner, etc., for holding a primary or convention for the purpose of nominating candidates for the various offices to be voted for at the November election 1901, met at Hazel Green, Ky., April 28, 1900, at 4 o'clock p. m., the following committee men were present:

It was also ordered that each candidate for nomination place the amount of his registration fee in the hands of the chairman at least fifteen days before day of primary.

The following resolution carried unanimously:

Resolved:—That for the sake of reuniting the democratic party and restoring the party to its old time principles, and to insure the success of the nominees, we ask all democrats who have heretofore affiliated with the party to take part in this election, and we hereby declare the above named persons to be the legal voters in this primary, and that no democrat shall be deprived of voting in this primary election, who will be legal voters at the November election 1900.

E. T. KASH,  
Chr. Ex. Com. Wolfe county.  
J. R. CARROLL, Sec'y.

To the democrats of Wolfe county, allow me to say to you through the columns of THE HERALD that the committee was called to meet by me, through the earnest solicitations of a large majority of the candidates seeking nominations for the various offices of our county, believing, as they said, that justice would be meted out to them at the hands of my committee.

E. T. KASH, Chairman.

Home Missions to the Front.

On next Sunday, the 6th, let us have large offerings for Home Missions. Remember, as America goes, so goes the world; America is the gateway to all the world; Evangelize America, and the world will be readily evangelized; America for Christ, and the world will accept Him; Christ for the world, the world for Christ.

The topics for the sermons will be "Our Brother's Keeper," and at 7:45 p. m., "The Law of God." Brethren and friends, we covet your attendance.

WM. H. CORD,  
Minister Church of Christ.

Another Killing in Breathitt.

On Tuesday, April 17, just after dusk, Jesse Fields was shot near Cornett's store on Smith branch, in Breathitt county, six miles from Jackson, by Moses Feltner, and died about 2 o'clock a. m. Jesse Fields took an active part in the French-Eversole feud in Perry county a few years ago. At the time of his death he was under indictment and bond to answer at next term of court for the shanty boat tragedy on the Kentucky river, near Jackson, which occurred a short time ago.

Great opportunity offered to good, reliable men. Salary of \$15 per week and expenses for man with rig to introduce our Poultry Mixture and Insect Destroyer in the country. Send stamp, American Mfg. Co., Terre Haute, Ind. 11

### 1,000,000 DEATHS!

FROM CHOLERA DURING THE PAST YEAR.

The Germs of this Fatal Disease are Lurking Everywhere! Thousands of Dollars Saved by This Wonderful Discovery.

Hundreds of thousands of dollars has been lost in the poultry business on account of the devastation among the flocks caused by cholera, croup, gape and other fatal diseases. There have been many remedies advanced, but none seem to be so successful as the American Poultry Mixture. This will cure chickens in the last stage of cholera and roup, and is excellent for gapes. Do your fowls suffer from violent diarrhea, dropping of the wings, stupor or excessive thirst? These are the first symptoms of cholera. Cholera is a germ disease and being infectious spreads rapidly through the entire flock. Take time by the forelock; don't stop to experiment with unreliable or untried remedies. Use this mixture at once and the sanitary measures they recommend in connection. Don't give the fowls up. Cholera is a terrible disease but this remedy cures it every time. It is also guaranteed for roup, which can be told by hoarse breathing, swelled eyes, discharge at the nostrils, resembling catarrh. Fifty dollars is offered for any case the Mixture will not cure. If some of your fowls are diseased it will prevent the rest from catching it. Try it. It is cheap, reliable and effective; a scientific preparation, goes more than three times as far as any other remedy; does more good than all of them combined. It is used and endorsed by the most experienced and largest breeders of plain and fancy poultry in all parts of the world. The manufacturers guarantee every package or refund purchase money. If your druggist don't sell American Poultry Mixture, he's behind the age. In that case send \$1.00 for sample box to American Mfg. Co., Terre Haute, Ind.

## THE HERALD.

**A FARM JOURNAL**  
**Great Offer.** From now to Dec, 1903, Nearly 5 Years.

By special arrangement made with the publishers of the FARM JOURNAL we are enabled to offer that paper to every subscriber who pays for THE HERALD one year ahead for only \$1.00 both papers for the price of ours only; our paper one year and the FARM JOURNAL from now until December 1903, nearly 5 years. The FARM JOURNAL is an old established paper enjoying great popularity, one of the best and most useful farm papers published.

This offer should be accepted without delay.

Douglas Hackney, of Frenchburg, was here Saturday and Sunday.

Caesar and Sam Hurst were here Monday to see the base ball game.

John Bays, of this place, made a flying trip to Mt. Sterling one day last week.

The wife of Frank Pieratt, of Maytown, still continues in a critical condition.

Quite a number of Hazel Green people attended church on Grassy creek last Sunday.

Mrs. Nelson Nickell, who has been sick with fever for several weeks, is convalescent.

The indications at present look as though we are going to have a fair crop of fruit this year.

Dr. John Carroll, of Lee City, was here Saturday attending the meeting of the democratic county committee.

Elder Jim Tom Pieratt preached at the Grassy church, in Morgan county, last Sunday with Rev. James Adams.

Little Perry Adams has again placed the editor and his better in under obligations for a bunch of nice spring onions.

Rev. B. F. Friend, of Mt. Sterling, delivered an interesting sermon at the Christian church this morning.

Mrs. Tom Lee and sister and sister in law, Miss John Walker, were here Monday and bought a hat of Mrs. F. N. Day.

Arthur Lykins, of Caney, was here on Saturday, en route from Campton, where he had been visiting the latter for some time.

Miss Nina Nickell and Miss Sarah Wills, of Maytown, were here Friday, and the latter bought a hat of Mrs. Day, the milliner.

John Tom Gevedon, of West Liberty, has been in town this week, and is talking of locating in Hazel Green in the near future.

Frank Strasser, Harlan Strasser and John Tyler, of Campton, attended the meeting of the democratic county committee here on Saturday.

Robert Day is at his uncle's, Frank Horton, Campton, and has been quite sick for several days past with some pulmonary trouble.

Willie Voss, near the Caskey school house on Grassy creek, died Sunday last of fever, aged about 50 years. He leaves a wife and four children.

W. H. Gandy filled his appointment at Grassy church morning, and occupied his own pulpit at the Christian church of this place in the evening.

**GOOD NEWS** comes from Hazel Green, who take Hood's Sarsaparilla for scrofula, dyspepsia and rheumatism. Remember—HOOD'S PILLS

Maude Elam, of West Liberty, and the Misses Hanks, of Grassy creek, were shopping in Mt. Sterling, and Miss Elam and one of the latter bought a hat each of Mrs. F. N. Day.

John Gevedon and children moved to McCaskey Monday, and Mrs. Gevedon, we understand, will also go there to reside as soon as her health will permit.

W. T. McNabb and wife, having rented out their town property, will return to the country to reside and take their home on the Murphy farm for residence.

Elder Jim Tom Pieratt has not yet made up his mind whether he will remain here or go west again. But he will decide this week, and should he conclude to go west he will locate in Illinois, tho' he thinks Kansas a wonderful state.

### The Home Team Defeated.

Quite an interesting game of baseball was played here Monday between the Campton nine and the Hazel Green nine, and the crowd, which numbered about 200, were highly entertained. The Campton boys defeated our boys after a hotly contested game by the close score of 16 to 15. The Campton team, reinforced by three "ringers," succeeded in securing a heavy lead at the first, but were nearly overhauled at the close. The visiting team excelled in their field work while the home team did more heavy hitting. The home boys may well feel elated over the game. They might have with fairness prohibited the foreigners from playing, but it is not in a Hazel Green team to quail before any aggregation of star ball tossers. A return game will be played at Campton one week from next Saturday. The following is the score by innings:

Hazel Green... 1 2 0 0 0 1 4 4 3 15

### Capt. Tucker Corrects Us.

WINCHESTER, KY., April 25.

Editor HERALD: There are some errors in your notice of the fight at Green River stockade. The real facts are as follows: On the Christmas before the fight Gen. Morgan detailed me with four companies to burn the stockade. While the boys were setting it on fire I examined the situation fully, and on Gen. Morgan's last raid he sent me with a flag of truce to demand the surrender. Col. Moore was in command, and came out with a smile on his face and said that if it was on any other day but the 4th of July he might surrender, but to celebrate the 4th he would have to give us a little brush. I knew then it would be a fight to the death. Our regiment, (Chennault's) was put in front, and in a fight that did not last forty minutes our regiment lost 65 men and six officers, who were killed outright or died of wounds received. It was the fiercest fight I was ever in. We lost so many enlisted men. My hat, coat and pants were shot through, and the back of my neck was scorched, but no blood was drawn. Yours, etc.,

JOSEPH T. TUCKER.

Dr. M. C. Kash, who has just located in our town, with his office at the Day House, is prepared to answer all calls day or night, and makes a specialty of surgery, obstetrics and diseases of women, in which he has gained quite a reputation in Morgan county, where he has practiced for over five years. In all he has been practicing medicine for 12 years. Jackson, one year; Campton, one year; White Oak, three years; Farmers, nearly a year. At the latter place he received the appointment of pension examiner and removed to Sellersville, Magoffin county, retaining the appointment which he still holds. He is registered in three counties, Rowan, Morgan and Magoffin, and, of course, will register in Wolfe at once. His extensive practice during the 12 years, covering as it does, every kind of surgery and all female diseases has equipped him for proficient practice and he asks the people of this section, in event of their illness, to give him a trial, confident that he will please them. See his card in this paper.

The Farm Journal is unlike any other paper; for one thing it prints no quack medical advertisements; for another it takes five year subscriptions and gets the paper to its subscribers the full time it they are anywhere on this planet, even if they move two or three times; if they die their heirs get it. Now we are going to combine with the Farm Journal and send THE HERALD one year and the Farm Journal nearly 5 years (remainder of 1900, and all of 1901, 1902, 1903 and 1904) to every advance paying subscriber, new and old, to THE HERALD. This great offer had better be accepted before it is withdrawn.

The debates at the academy on the evening of the 25th ult., were among the best ever held in the school. The speeches made by the young women were especially good, and for the most part, were well delivered. Some of the young men who spoke, had studied their questions but little, and of course added no laurels to their records. These debates have been a very profitable part of the work of the academy and they are growing in interest. The first debate of the next session will be the evening of September 7th.

Rev. E. K. Pike will preach at the Methodist church in this place on Saturday night, before the third Sunday in May and on Sunday morning at 11 o'clock, he will preach on the subject of Baptism. He will preach at Rose chapel at 3 o'clock on the same day. Everybody is invited to hear both sermons, and especially the discourse on Baptism.

George Faulkner, of Barboursville, was here Friday with George Dean of the Ray clothing company, Louisville, and another drummer, Thomas Gabbard, of Booneville, who travels for a Louisville house. They were guests of the Day House.

### What They Say.

John Evans—"I think for the success of the party that next April would be amply early to call a primary."

John Davis thinks the primary should not be called until after the November election, if we expect success.

Robert Kash says the idea of a primary a year and a half before the regular election is preposterous—that half the candidates might be dead.

Harry Perkins—"I think the primary has been called too early for the success of the party."

John D. Rose, jr., is of the opinion that the primary should not be called until after the November election.

J. A. Taulbee—"I am of the opinion that the primary for county offices should be held after the November election 1900. I think it would be better for party success. Yet I will vote for the nominees let the vote be taken anytime."

Ed Taulbee says the primary as promulgated by the committee last Saturday is too soon for the success of the party.

He Wants the Dear Old Herald.

AMSTERDAM, Mo., April 26, 1900.

Editor HERALD—Dear Sir: Enclosed you will find money order for \$1.00, for which you will please send me THE HERALD and the Courier Journal for one year.

We are having fine weather at present. Farmers are nearly all done planting corn, and everything is growing nicely.

Present my compliments to Mrs. Cooper. Yours truly,

C. B. AMYX.

Col. Julian S. Carr, the millionaire tobacco manufacturer of Durham, N. C., will bring a large delegation to the Confederate Reunion in Louisville, May 30-June 3. They will be attractively uniformed. Another famous North Carolina command will bring its famous legend, "First at Brigg, Bethel, Fairbairn at Gettysburg, and Last at Appomattox."

William Hensley, of the Upper Long Branch, Morgan county, died on Saturday last of a gripe, aged about 70 years. He was one of the hard marks of that section, and considered one of the best citizens in that section. He leaves quite a family of grown up children, most of whom are married and living in the west. His wife preceded him to the grave, having died about three years ago.

Ballard Barker, who murdered his wife on the 5th of April, was tried in the circuit court last Monday and sentenced to the penitentiary for life. The general opinion of the public was that he would be hung, but the jury probably considered the fact that he was not overly bright, and gave the sentence as above stated.

Ship your wool to Elkhorn Wagon Mills. They make the best blankets, coverlets, flannels, jeans, linsey, tweeds, satinetts, and yarns ever shipped to your section, and at less than it costs you to work your wool at home. Write our agent at Grassy Creek, Ky., for prices, or see local agents with samples. Watch for posters and dates for shipping.

Mr. Hemingway, the secretary of the Jersey Cattle Club, says that "Biggle Cow Book is a most comprehensive little volume—one of the best things on the cow question I have ever looked into." Mr. Hemingway ought to know. The price is 50 cts., free by mail; address the publishers, Wilmer Atkinson Co., Philadelphia.

John Tom Gevedon, of West Liberty, has rented of Mrs. W. T. McNabb her residence on the corner of Broadway and State streets, and will move his family here on Friday to reside with us for one year at least. On behalf of our citizens we bid them welcome to our town and bespeak for them a pleasant sojourn.

"You May Bend the Sapling, but not the tree." When disease has become chronic and deep-seated it is often difficult to cure. That is the reason why it is best to take Hood's Sarsaparilla when disease first shows itself. Hood's Pills are a favorite family cathartic.

Lige Blankenship was in town Saturday and "our man about town" asked him the news. "Wait until I study up lie," said he, and our m. a. t. thinking the fact that he had to study over a bit of a thing like that a good item of news, jotted it down.

Miss Hanks and Miss Pollock, two gems of Campton, were pleasant callers at Miss Bertha Samples, of Lacy creek, and on Saturday they came to Hazel Green and enjoyed the afternoon at the base ball grounds.

If your horse or mule has a lump, bunch, bone spavin, curb, splint or any like ailment, go to John M. Rose and get a bottle of Quinn's Ointment, which will remove the obstacle.

Rev. J. T. Pieratt will preach at the Frank Johnson school house Saturday night and Sunday at 3 o'clock in the afternoon and night.

Agents on salary \$15.00 per week and expenses; the greatest agent seller ever produced; every stock and poultry raising business on sight. Hustlers wanted. Reference. Address with stamp, American Mfg. Co., Terre Haute, Ind.

The time of all who subscribed for THE HERALD March 4 is now out and they are respectfully urged to renew at once and take advantage of our club rate with the Twelve-Year Courier-Journal for 12 months, the Farm Journal, every month until end of December, 1904, and THE HERALD for 12 months, ALL FOR \$1

## THE HERALD.

**A FARM JOURNAL**  
**Great Offer.** From now to Dec. 1903, Nearly 5 Years.

By special arrangement made with the publishers of the FARM JOURNAL we are enabled to offer that paper to every subscriber who pays for THE HERALD one year ahead for only \$1.00 both papers for the price of ours only; our paper one year and the FARM JOURNAL from now until December 1903, nearly 5 years. The FARM JOURNAL is an old established paper enjoying great popularity, one of the best and most useful farm papers published.

This offer should be accepted without delay.

Douglas Hackney, of Frenchburg, was here Saturday and Sunday.

Cesar and Sam Hurst were here Monday to see the base ball game.

John Rys, of this place, made a flying trip to Mt. Sterling one day last week.

The wife of Frank Pieratt, of Maytown, still continues in a critical condition.

Quite a number of Hazel Green people attended church on Grassy creek last Sunday.

Mrs. Nelson Nickell, who has been sick with fever for several weeks, is convalescent.

The indications at present look as though we are going to have a fair crop of fruit this year.

Dr. John Carroll, of Lee City, was here Saturday attending the meeting of the democratic county committee.

Elder Jim Tom Pieratt preached at the Grassy creek church in Morgan county, last Sunday with Rev. John Adams.

Little Perry Savage has again placed the editor and his helper under obligations for a bunch of nice spring onions.

Rev. B. F. Trimble, of Mt. Sterling, delivered an interesting sermon at the Christian church this place Sunday morning.

Mrs. Tom Lin and others, and sister-in-law, Miss John Wallis, were here Monday and bought five hats of Mrs. F. N. Day.

Arthur Lykins, of Caney, was here on Saturday, en route from Campton, where he had been visiting his father for some time.

Miss Nina Nickell and Miss Sarah Wills, of Maytown, were here Friday, and the latter bought a hat of Mrs. Day, the milliner.

John Tom Gevedon, of West Liberty, has been in town this week, and is talking of locating in Hazel Green in the near future.

Frank Stanger, Harlan Stanger and John Tyler, of Campton, attended the meeting of the democratic county committee here on Saturday.

Robert Day is at his uncle's, Frank Horton, Caney, and has been quite sick for several days past with some pulmonary trouble.

Willie Vest, near the Caskey school house on Grassy creek, died Sunday last of fever, and about 50 years. He leaves a wife and four children.

W. H. C. M. died his appointment at Grassy creek morning, and occupied his own pulpit at the Christian church of this place in the evening.

**GOOD NEWS** comes from those who take Hood's Sarsaparilla for scrofula, dyspepsia and rheumatism. Report on HOOD'S CURES

Maggie Elam, of near West Liberty, and the Misses Hentzel, of Grassy creek, were shopping here Thursday, and Miss Elam and one of the latter bought a hat each of Mrs. F. N. Day.

John Craven and children moved to McCannys Monday, and Mrs. Craven, we understand, will also go there to reside as soon as her health will permit.

W. T. McNabb and wife, having returned to the country to reside and take their home on the Murphy farm for residence.

Elder Jim Tom Pieratt has not yet made up his mind whether he will remain here or go west again. But he will decide this week, and should be concluded to go west he will locate in Illinois, tho' he thinks Kansas a wonderful state.

### The Home Team Defeated.

Quite an interesting game of baseball was played here Monday between the Campton nine and the Hazel Green nine, and the crowd, which numbered about 200, were highly entertained. The Campton boys defeated our boys after a hotly contested game by the close score of 16 to 15. The Campton team, reinforced by three "ringers," succeeded in securing a heavy lead at the first, but were nearly overhauled at the close. The visiting team excelled in their field work while the home boys may well feel elated over the game. They might have with fairness prohibited the foreigners from playing, but it is not in a Hazel Green team to quail before any aggregation of star ball tossers. A return game will be played at Campton one week from next Saturday. The following is the score by innings:

Hazel Green	1	2	0	0	1	4	4	3	15
Campton	1	7	1	2	1	1	2	1	16

Batteries—McDiarmid and Bays, Eaton and Russell.

Umpire—John Davis.

Struck out—By McDiarmid, 12; by Eaton, 7.

Home Run—Quicksall.

Three Base Hits—McDiarmid 2, Garrett 1.

Two Base Hits—Ward, Daniel, Russell and McDiarmid.

Passed Ball—Daniels 2, Bays 1, Russell 1.

Errors—Campton 3, Hazel Green 11.

Base Hits—Hazel Green 14, Campton 10.

Time of Game—Two hours and a quarter.

## DO YOU GET UP WITH A LAME BACK?

### Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

## COUNTY NEWS NOTES.

To insure insertion ALL correspondence must be in this office by Monday night of each week, and that nearby on Monday morning.

Our correspondents are derelict in duty and we want to say that henceforth they will not receive papers except for the week they have news letters. We are dependent upon them for the news and when they fail to send in their favors they put us to great inconvenience.

**SWANGO SPRINGS SAYINGS.**  
Here's my hand Uncle Remus, come every week.

The following young ladies were visiting our writer last Friday: Misses Dell Cravens, Mattie Evans and Daisy and Pearl Day.

"Charley" has been employed by a mill company at Glencair. We think some one could take his place and give us the Daysboro news.

Ye scribe called on Mrs. Ha Cecil last week, and was sorry to find her in such delicate health. Hoping that her visit to Kentucky will be beneficial to her.

We went out to Daysboro Saturday and on our return we met Landford Craft en route to Grassy. Bring that "bird" over, Landford, and give her some Spring water.

We got such a licking last week, we thought we would not be able to give you any news this week, but we have tied up our bruises in a rag and will do our best.

We were surprised to hear Uncle Remus say that he thought that we were offended at what he said about Mr. Cooper and Bro. Wilson running for an office. Such a thing never entered our head; we are not so easy to get offended. He said that he didn't know that there was politics in a county office. Well we must confess our ignorance, for we thought there was politics, and all other

kind of ticks in it. And he seems to think that there is a trick about our name, and adds "Miss" to it. When it might be "Pecks bad boy" for all he knows. He suggests that we take a plush rocker and let Mr. Cooper and Bro. Wilson settle the says. We thought it took the vote of the people to settle the matter in question. It would be a hard matter for us to sit still that long unless Uncle Sam would give us a post office and let us sit back and read postal cards. Then, my dear uncle, we would take your proffered chair and thank you.
